இலங்கையின் பிரதம அமைச்சர்
Prime Minister of Sri Lanka

Message of Felicitations from the Hon. Prime Minister on the Occasion of Hajji Festival

On the occasion of "Eid-ul-Adha" or the Hajji Festival, celebrated with great reverence by Muslims across the world upholding the values of selflessness, unity, and compassion, I extend my felicitations to the Muslim community in Sri Lanka and around the world.

On this special Day, the festival of Hajji commemorates the boundless devotion to God and the noble spirit of generosity demonstrated by Prophet Ibrahim. This festival reflects the willingness of humanity to dedicate even its most precious possessions for the greater good of humankind and the devotion towards the God.

On this day, the most important lesson we must all understand is the value of rising above our differences and standing together in unity and solidarity. The message of Eid-ul-Adha, founded upon sharing and compassion, serves as a great example in our journey towards building a strong, peaceful, and prosperous Sri Lanka.

Therefore, setting aside narrow divisions, we must all resolve to act with respect and kindness towards one another and work together to create a society valued with peace and solidarity.

May this Hajji Festival bring happiness, peace, prosperity, and blessings to you all.

Dr. Harini Amarasuriya
Prime Minister
Democratic Socialist Republic of Sri Lanka
